## CAMPAIGN TEAM LEADERS

After much prayer and consideration, the Leadership Committee members were asked to direct the many facets of our *Reaching the Future – Fulfilling God's Plan* Campaign.

The Leadership Committee will continue to provide leadership for the next several months. Please remember the Leadership Committee members in prayer as they seek God's will in this campaign. Many of you will be asked by one of these team leaders to serve with them. Be open to what the Lord can accomplish through you by serving with these brothers and sisters in Christ!

## Testimonies

### CHUCK AND KATHERINE LATIBEAUDIERE

We have attended Valley for over 16 years. Both of us are actively involved in this ministry because we believe that God is at work here. We have found that God is faithful and he keeps his word. As we grew spiritually at Valley, we learned that giving must be systematic and from the heart. Once we realized that God is faithful and that he keeps his word, it made it easy to continue to support what we see at Valley. God is at work here. Anywhere God is at work is a place where we want to be.

It took faith to give over and above our normal giving. God has proven himself to be a God of supply. We are looking forward to the challenge of this next program because we know that God is faithful. We encourage you to "get on board" with the campaign we are beginning. We want to be involved in *Reaching the Future; Fulfilling God's Plan* because we know that God is faithful. We trust God and encourage you to get involved. There is no greater feeling than to know we are doing what God wants us to be doing. We support God's work at Valley and support this ministry because it is where God wants us.

### RICH AND LOUANNA ROLLINS

We are excited to be involved in *Reaching the Future – Fulfilling God's Plan*. Although we have given for decades to God's ministry, it wasn't until we joined the Valley family that we saw God tangibly working in the lives of His church. It is exciting to realize that our giving is being used to change lives, save homes and marriages, and bring hope to a generation. Our giving to this campaign, which is over and above our regular giving, gives us an opportunity to help free up resources that can further the impact of this growing ministry. We encourage everyone to be involved at some level. God will greatly bless you.

## 12 HOURS OF PRAYER

Without God's blessing, guidance, and power, there can be no lasting victory in our lives or in His church. In Zechariah 4:6, God speaks through His prophet these words: "Not by might, not by power, but by my Spirit..."

In order to support the Capital Stewardship Program with spiritual strength, our church will be in prayer for 12 hours of unbroken intercession on October 11 in the Worship Center Prayer Room (103). This will be a time of praise and thanksgiving to God for His blessings on us and supplication for His will to be known and done during these strategic days in the life of our church.

The purpose of our 12 Hours of Prayer Emphasis is to help establish and maintain a spiritual climate within the church which will enhance the overall purpose of this program. It is our goal to have as many of our people join in this event as possible.

Each member of our congregation will be asked to participate in this Prayer Emphasis. Please plan to respond when given the opportunity.

Special Event Sunday

Dear Church Family and Friends,

It is hard to believe that it was nearly 3 years ago that we began Touching the Future, Living the Dream. As we began that campaign, we had a dream of changed lives, of a place where the spiritually wounded would find healing, of a place where children in a safe environment could hear of God's love for them, of people from every background celebrating their significance in the body of Christ, and of a place where God spoke to His people through His Word. We continue to live that dream. In the next decade, our leadership will change, but with this campaign we will begin to assure that the dream will continue. It is a dream that we pray will never end. As we live our dream, a new concern rises in our hearts. Our future is vested in God touching the next generation in ways that will not only see the dream continue, but expand. Since our future is tied to God fulfilling His plan for us, we now want to pursue the goal of Reaching the Future, Fulfilling God's Plan.

Over the past 18 years, capital campaigns have given reality to our dreams. As we begin another campaign, we pray that, through your generosity, the dream will continue to expand in a way that will impact the next generation. Please, as you read through this brochure, prayerfully consider how God will use you to promote the next steps in Reaching the Future, Fulfilling God's Plan.

Yours for the Cause of Christ,

*Phillip A. Howard*

# REACHING THE FUTURE

## FULFILLING GOD'S PLAN

### GOALS FOR REACHING THE FUTURE: FULFILLING GOD'S PLAN

Our selected theme, **Reaching the Future: Fulfilling God's Plan**, assumes that we have a responsibility to the next generation to leave them a ministry that is financially and organizationally prepared to move into the future with success.

We believe that the immediate economic instability in this country demands that we concentrate our effort in reducing our mortgage debt. This is our first goal. Over the next three years, we want to eliminate our second mortgage and reduce our first mortgage as much as possible.

Our second goal will focus on continuing our efforts to expand our campus while making improvements on our buildings and grounds as we identify them.

Last, as a congregation and leadership, we have a responsibility to challenge ourselves with the biblical goal of sacrificial giving. Many in our church family have not cultivated the discipline of biblical giving and have not discovered the blessings that accompany biblical giving. This goal would assist us not only with the discovery of the biblical principles of giving, but each of us could achieve the spiritual benefits of being obedient in this critical area of our Christian life.

Our giving has never been about money, but about God working His desires through a generous and faithful people. Each time a life is changed, a marriage saved, a person saved, it is made possible only by the generous giving of our people. God is our Provider—not the economy.

**We have set three levels that, if achieved, will begin to pave the way for fulfilling God's plans for Valley.**

**LEVEL 1:** The first level we seek to achieve for this campaign is \$1,500,000 over the next 3 years. This allows us to make our monthly payment of \$35,085 and apply the remainder to the principal. This will eliminate the second by the conclusion of this campaign.

**LEVEL 2:** The second level of \$2.5 million allows us to not only eliminate the second, but to begin significantly reducing our first while giving serious attention to improving and enhancing our campus.

**LEVEL 3:** Reaching the third level of \$3.5 million paves the way for eliminating our present mortgages within the next 6 years!
